MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: [redacted]
Chairman, DCID 1/2 Committee

25X1

SUBJECT: Review of DCID 1/2 Attachment for 1982 [redacted]

25X1

1. Attached is a proof copy of the new edition of the DCID 1/2 Attachment. Normal procedure is to submit this copy for your formal review and approval prior to printing and distribution. However, because of your absence and the need to have the printed copies in time to properly support the forthcoming SIG(I) review of DCID 1/2 priorities, I have taken the liberty of telling the printer to proceed. [redacted]

25X1

2. Other than the changes in the matrix reflecting priority revisions made during the past year, and some topic definition changes, there is no significant substantive difference from the last edition. We have, however, somewhat reorganized the publication with the aim of making it more efficient and easier to use. The printed version, unlike the proof, will be suitably tabbed. [redacted]
